- Site Plan.** Drawing in accordance with Section 4.2.D
- Liability Insurance.** The permit holder for wireless communications facilities shall secure and at all times maintain public liability insurance for personal injuries, death, and property damage, and umbrella insurance coverage, until the tower is removed from the site, in amounts as set forth below
 01. Commercial general liability covering personal injuries, death, and property damage: \$1,000,000 per occurrence/\$2,000,000 aggregate;
 02. Automobile coverage: \$1,000,000 per occurrence/\$2,000,000 aggregate; and
 03. Worker’s compensation and disability: statutory amounts.
- Radio Frequency.** A statement from a registered engineer that the WCF will be maintained and operated in accordance with all applicable Federal Communications Commission (FCC) rules regarding radio frequency emissions and interference and if there is interference with public safety communications, the applicant shall utilize procedures set forth by the FCC and the party causing the interference shall reimburse the County for all costs associated with resolving the interference.
- Structural Analysis.** Signed and sealed by a NC Registered Professional Engineer that all elements of a telecommunication facility shall demonstrate, to the satisfaction of the County, that the equipment and the structure supporting the equipment is structurally sound and can accommodate the proposed equipment and appurtenances.
- Lighting.** Applicant shall provide documentation that lighting of a wireless communications facility shall be limited to that required for compliance with FAA minimum standards. Any lighting required by the FAA must be of the minimum intensity and number of flashes per minute (i.e., the longest duration between flashes) allowable by the FAA. Nighttime strobing or flashing lights are prohibited, unless required by the FAA.
- Owner Authorization.** Proof that a property and/or antenna support structure owner’s agent has appropriate authorization to act upon the owner’s behalf if applicable.
- Insurance.** Proof of certificates of insurance of general liability insurance in the amount of at least \$1,000,000 covering any liability arising out of its construction or operation of the WCF.
- Bond.** Applicant shall submit a performance bond or letter of credit from an accepted bank in the amount of \$20,000 or a bond equal to the written estimate from a qualified tower removal contractor to guarantee that the facility will be removed when no longer in use. Collocation applicants shall provide evidence that the collocation is covered under the WCF bond, or shall provide a new performance bond equal to the written estimate from a qualified tower removal contractor to remove their equipment, cabinets, antenna, feed wires and all other appurtenances in collocation applicant’s ownership/lease upon applicant’s cessation of use.
